

GDOP Update

13 January 2009

Dear Friends

We would like to take the opportunity to wish you a wonderfully blessed 2009. We hope and trust that you have experienced much joy, peace and happiness during the recent Festive Season. May the love and grace of Jesus Christ be with you during this coming year.

The Global Day of Prayer team is once more functioning with renewed energy. Excitement for GDOP 2009 is noticeable from all around the world. **By 15 December 2008 we already had 115 countries officially registered for GDOP 31 May 2009.** At the moment there are only **105** countries outstanding. Apart from this it is evident that a deeper need for prayer is arising amongst the nations and that the Lord's children want to truly seek His face in Repentance and Prayer.

Although our aim is to have all the countries and nations in the world participating, either in small groups, the underground church or in big stadiums and public places we would like to focus more on saturating the nations with prayer. As said in previous e-mails we realize that this will not be possible without your help and support and therefore we would again strongly urge you to take hands with us so that *"the earth will be covered with the knowledge of the glory of the Lord, as the waters cover the sea"*, Hab. 2:14.

It is of utmost important to register your nation's participation and can be done on the website if you have not done so yet. This is to supply us with all the necessary contact details in order for us to be able to communicate effectively; and awareness of what is happening in every single nation of the world, expands the move of God and encourages those who are involved. Our website www.globaldayofprayer.com will guide you through the 2009 strategy. You will also find all the resources that you would need to organize your GDOP event for 2009

If you are uncertain as to whether others are involved in your nation, please contact us on info@globaldayofprayer.com

Updates about countries not involved will be sent out regularly. We strongly urge you to help us with contacts in any of these nations. This information will also be available on the website shortly.

Feel free to contact our office at any time if you need any assistance on info@globaldayofprayer.com

Many Blessings

The GDOP Team
