

# GDOP Update

9 February 2009

Dear Global Friends

**“From the rising of the sun to the place where it sets, the name of the LORD is to be praised.”  
Psalm 113:3**

It is with great anticipation that we are preparing for GDOP 2009. Currently **137 nations** have already registered to participate on 31 May 2009. Within these nations we can already see massive growth from 1 or 2 events in 2008 to multiple events in 2009. God is surely busy awakening the watchmen in the nations and restoring His house to be a house of prayer for the nations. Therefore we move in faith to see every single nation on the face of the earth react to the call of united prayer. Surely this is the season where “the earth will be filled with the knowledge of the glory of the Lord as the waters cover the sea” Hab. 2:14.

On the Homepage of the GDOP website, [www.globaldayofprayer.com](http://www.globaldayofprayer.com), you will find a map of the world with information on which nations have already been registered for GDOP 2009 and those who have not yet been registered.

Please take note that even if a nation has participated the previous year we will not assume participation for 2009 unless such a nation has submitted a new registration or communicated it with us in some way (e.g. e-mail, fax etc.)

We would strongly advise you to make sure that your nation has been registered as well as to challenge you to help us find contacts in the nations where we have no registrations yet.

Under each registered nation you will also find information about where GDOP will take place in that region and who the contact person is.

Please feel free to contact us on [info@globaldayofprayer.com](mailto:info@globaldayofprayer.com) if you have any questions, queries or information. As always, we are here to serve!!!

Many Blessings

The International GDOP Team
