

Healing the Commonwealth: 27 June 2022

Declaration from the United Kingdom

There is no God in heaven above or on earth below like You, who is merciful and keeps covenant with Your servants who walk before You with all their hearts. *"The earth is the Lord's and the fullness of it"*.

We as members of Your Body who meet together today, acknowledge that all good things come from You our Lord and heavenly Father. You are the source of provision for the United Kingdom and the Commonwealth Nations.

Father God in You alone do we live and move and have our being, and on You alone we depend and trust. You are the rock of our Salvation, our never-failing source, who holds all things together by Your word and power.

We acknowledge confess and repent of our own sin and the sin of our nations within the United Kingdom, that we have moved away from Your Sovereign authority and allowed the spirit of empire to rule our nation's decision making.

We also confess and repent of allowing the spirit of this world's deception to creep in and corrupt Your Church.

As we seek to walk this out, we request that today Father God, you remove the veil of deception where the spirit of this world has blinded the minds of the people of these Isles so that You can bring your kingdom principles into play.

Today we renounce all ungodly and worldly decisions that were made contrary to your sovereign rule for the Commonwealth of Nations.

We now remove the nets that have ensnared our whole Commonwealth Family so that we can all be free to make Godly decisions according to Your Kingdom principles for life.

Today Father God, we acknowledge Your rightful rule over the governments, economies and every sphere of society of the Commonwealth Nations including these Island nations of the United Kingdom

We call upon You Lord to fill us afresh with Your Holy Spirit, give us wisdom, revelation and understanding, so that Your good and perfect will may be worked out in us and through us as members of Your Body here in the United Kingdom and the Commonwealth Nations. May we be One Family, United in Christ.

We call forth men and women who are committed to serving You, the Lord God of Israel. Give us all a boldness to declare Your word and Your way to all whose motives are for personal gain and personal glory so that they may see You and Your ways.

Father God today together we ask that as You restore to us the rightful sovereignty that You have on Your heart for us, in an attitude of humble servant leadership, Your mercy and Your kindness will cause the birth of the new season for the Commonwealth; so as darkness increases, our nations will run together, corporately fulfilling your purposes, unhindered by our history, with a new recognition and honour of each-other's God given gift and redemptive call.

We declare over each nation Isaiah 60:1 *Arise shine, for Your light has come and the glory of the Lord is risen upon you.*

Church of the living God rise up and take your authority. In Jesus Name. Amen. Amen. Amen.
