South America

Falkland Islands

Pray for Christians working and praying for reconciliation from political wrangling between the UK and Argentina, which led to the 1982 conflict; for those struggling with their mental health as a result of the war; for a revival in faith for all Christians and that they would be emboldened to witness to fellow islanders, fishermen, oilmen, and tourists.

Guyana

Pray for strong unity in Christ within ethnic congregations to be an effective witness to the Hindu and growing Islamic communities; for employment opportunities as many people have emigrated.

Trinidad and Tobago

Pray for strong theological training in this country with many churches but few disciples so there would be less reliance on missionaries; for bold witness from believers with Hindu and Muslim backgrounds.

Together in Unity:

**Be part of ushering in the
kingdom of God across the
whole Commonwealth!**
